## SUBSCRIPTION AGREEMENT

---

To: PREMIUM PROPERTY TRUST I  
2601 Highland Avenue South,  
Birmingham, Alabama 35205 USA

From: \_\_\_\_\_  
(Full legal name(s) of Subscriber(s))

Ladies and Gentlemen:

The undersigned hereby subscribes for \_\_\_\_\_ Shares of Beneficial Interest (the "Shares") in the subscription amount of \$909.09 per Class A-P Share and \$1,000.00 per Class A Share as offered by PREMIUM PROPERTY TRUST I, a Delaware Statutory Trust (the "Trust"), according to the terms of the Trust's Offering Memorandum, as may be amended and/or supplemented from time to time (the "Memorandum"), and the Trust's Agreement and Declaration of Trust (the "Agreement and Declaration of Trust"), as set forth in the Memorandum, which Memorandum is incorporated herein by reference as if fully set forth, upon acceptance of this Subscription Agreement by the Trust's management.

I acknowledge that any Shares being acquired will be governed by the terms and conditions of the Trust's Agreement and Declaration of Trust, which I accept and to which I agree to be legally bound. I understand that if for any or no reason the Trust rejects my subscription my tendered funds will be returned to me without interest or further obligation.

By executing this Subscription Agreement, if my subscription is accepted, I understand I will become a holder of the Trust's Shares effective as of the date of the Trust's acceptance, below (the "Effective Date").

By executing this Subscription Agreement, I further acknowledge that I have received and completely analyzed a copy of the Memorandum via either electronic format or in paper format which the Trust has provided me with and have had ample opportunity to ask questions of and receive answers from the Trust's management and to conduct my own due diligence into the Trust and its objectives. I represent and warrant I have relied solely upon the Memorandum and the advice of my own legal counsel and accountants or other financial advisers with respect to the tax and other risks and consequences of investing. I am fully satisfied with such inquiry and am willing to assume and accept the risks set forth in the Memorandum, including other risks, both known and unknown, of the Trust.

As stated in my associated Suitability Questionnaire, which is attached hereto and incorporated herein by reference, I represent and warrant that I am an "Accredited Investor" and/or I am otherwise qualified to subscribe in the Offering described in the Memorandum. I further represent and warrant that the Shares being acquired will be acquired for my own account without a view to public distribution or resale and that I have no contract, undertaking, agreement or arrangement to sell or otherwise transfer or dispose of them or any portion thereof to any other Person. I represent and warrant that I can bear the risks described in the Memorandum and that I have such knowledge and experience in business and financial matters, including the analysis of or participation in offerings of this nature, as to be capable of evaluating the merits and risks of an Investment such as this, or that I am being advised by others (acknowledged by me as being my representative(s)) such that together we are capable of making such evaluation.

I understand that the Shares have not been registered under the Securities Act of 1933, as amended (the "Act"), or the securities laws of any state and are subject to substantial restrictions on transfer which are in addition to certain other restrictions set forth in the Agreement and Declaration of Trust. I agree that I will not sell or otherwise transfer or dispose of any Shares or any portion thereof unless (i) the same are registered under the Act and any applicable state securities laws or, if required by the Trust, I obtain an opinion of counsel that it is satisfactory to the Trust that such may be sold in reliance on an exemption from such registration requirements and (ii) the transfer is otherwise made in accordance with the Agreement and Declaration of Trust. I understand that the Trust has no obligation or intention to register any securities for resale or transfer under the Act or any state securities laws or to take any action (including the filing of reports or the publication of information as required by Rule 144 under the Act) which would make available any exemption from the registration requirements of any such laws and therefore I may be precluded from selling or otherwise transferring or disposing of any securities or any portion thereof for an indefinite period of time or at any particular time.

I acknowledge that I have been encouraged to rely upon the advice of my own legal counsel and accountants or other financial advisers with respect to the tax and other considerations relating to my proposed Investment in the Shares in the Trust and have been offered, during the course of discussions concerning the same, the opportunity to ask such questions and inspect such documents concerning the Trust and its business and affairs so as to understand more fully the nature of the Investment and to verify the accuracy of the information supplied. I represent and warrant that (i) if an individual, I am at least 21 years of age; (ii) I have adequate means of providing for my current needs and personal contingencies; (iii) I have no need for liquidity in my Investments; (iv) I maintain my principal residence or principal place of business at the address set forth in my Suitability Questionnaire which is attached hereto and incorporated herein by reference; (v) all Investments in and commitments to non-liquid Investments are, and after my Investment in the Shares will be, reasonable in relation to my net worth and current needs; and (vi) any financial information that I provide herewith or that I subsequently submit at the request of the Trust, does or will accurately reflect my financial condition in the which I do not anticipate any material adverse change.

I understand that no U.S. federal or state agency including the U.S. Securities and Exchange Commission (the "SEC") or the securities commission or authorities of any other state have approved, disapproved, passed upon or endorsed the merits of the Offering of Shares or the accuracy or adequacy of the Memorandum, or made any finding or determination as to the fairness of the terms of the Memorandum. I understand that the Shares are being offered and sold in reliance on specific exemptions from the registration requirements of U.S. federal and state laws and that the Trust is relying upon the truth and accuracy of the representations, warranties, agreements, acknowledgments and understandings set forth herein in order to determine my suitability to acquire Shares. I represent, warrant and agree that if I am acquiring Shares in a fiduciary capacity, (i) the above representations, warranties, agreements, acknowledgments and understandings shall be deemed to have been made on behalf of the person or persons for whose benefit such securities are being acquired, (ii) the name of such person or persons is indicated below under the Subscriber's name and (iii) such further

information as the Trust deems appropriate shall be furnished regarding such person or persons. I represent and warrant that the Trust may rely on the truth and accuracy of such information for purposes of assuring the Trust at its Affiliates that they may rely on the exemptions from the registration requirements of the Act and of any applicable state statutes or regulations. I further agree that the Trust and its Affiliates may present such information to such parties as it deems appropriate if called upon to verify the information provided or to establish the availability of an exemption from registration under the Act or any state securities statutes or regulations or if the contents are relevant to any issue in any action, suit or proceeding which it is or may be bound.

I further hereby irrevocably constitute and appoint, with full power of substitution, the Trust's Trustee(s), and its duly commissioned managers and officers as my agents, with full power and authority in my name, place and stead to make, execute, swear to, acknowledge, deliver, file and record: (1) All certificates, instruments, documents and other papers (including without limitation any business certificate, fictitious name certificate, and articles of organization) and amendments thereto which may from time to time be required under the laws of the United States of America or the State of Delaware or required by any political subdivision or agency of any of the foregoing or otherwise, or which the Trust deems appropriate or necessary, to qualify or to continue the qualification of the Trust as a statutory trust, to qualify as a foreign statutory trust, to register the Trust as a registered statutory trust, to carry on the objects and intent of the Agreement and Declaration of Trust, to conduct the business and affairs of the Trust, to admit, substitute or delete Shareholders in the Trust and to effect the termination and dissolution of the Trust; and (2) All instruments that the Trust deems appropriate to reflect a change or modification of the Trust in accordance with the terms of the Agreement and Declaration of Trust and all amendments and/or restatements of the Agreement and Declaration of Trust adopted in accordance with the provisions thereof; and (3) All conveyances and other instruments that the Trust deems appropriate to effect the transfer of interests in the Trust, to admit, substitute or delete Shareholders, to sell, exchange or dispose of assets of the Trust, to borrow money and otherwise to enter into financing transactions in the name of or otherwise on behalf of the Trust and to reflect the dissolution and termination of the Trust. The agency granted hereby shall be deemed to be a power coupled with an interest, shall survive my death or legal incapacity, and shall survive the delivery of an assignment by me of all or any portion of my interest in the Trust or any interest therein except that, when the assignee thereof has been approved by the Trust for admission to the Trust as a Shareholder, the power shall survive the delivery of such assignment with respect to the assigned interest only for the purpose of enabling the Trust to execute, acknowledge and file any instruments necessary to effect such substitution.

IN WITNESS WHEREOF, intending to be irrevocably and legally bound, together with my personal representative(s), if any, my successors and assigns, I hereby execute, adopt and agree to all of the terms, conditions, representations and agreements of the Agreement and Declaration of Trust, this Subscription Agreement and agency designation as set forth above.
